

Jokes from the Library ... seriously!

Why don't elephants ever pay overdue fines?

They always bring their books back on time. An elephant never forgets!

Unfortunately, quite a few of our books are overdue. Please remember, that books should not be taken out of the library for more than 3 weeks. I will start calling people on all overdue books, but maybe you can make a point in looking for Delta books in your homes, offices, cars ... and return them before you receive that dreadful ☺ call!!!

If you travel to Eastern Europe, why won't you find any books in Prague's public library? They're all "Czech"ed out!

I would hope more Delta family members would be interested to become frequent users of our library. We have a great selection of books and videos and – so far! – you do not even need a library card or photo-ID. If Ellen, Herb or myself recognize you: you are in!

Why didn't the skeleton come back to the library with an overdue book?

He was too gutless.

Anonymity is guaranteed ☺, well, almost. Just put your returned books on the return shelf. No fines will be collected, but volunteer work in the library would always be appreciated.
